Sir:

REQUEST TO REVIVE ABANDONED APPLICATION
PURSUANT TO 37 C.F.R. §1.137(b)

It is requested that the referenced application be revived on the basis that the delay in responding was unavoidable.

The latest Office Action was received on a day my Secretary was not in the Office. I received the Action, noted it on the face of the file, filed the action in the case file and returned the case file to the active files. I forgot to tell my Secretary about the Action and it sat in the files, without action on my part.

The Notice of Abandonment revived my attention. The Inventor wishes to proceed, and thus revival of the case and a response to the Action is requested.

An amendment is submitted that is believed to place the application in condition for allowance and revival is requested based upon the above stated facts.

Revival of the application is requested.

Respectfully submitted,

Howard L. Rose
